## NEW CHICAGO OFFICE

### **FOR IMMEDIATE RELEASE**

#### **STL Staffing Accelerates Growth with Opening of New Office in the Chicagoland Area**

*by STL Staffing*

New office expansion enables STL Staffing to meet growing customer demand for staffing and hiring solutions throughout the Midwest.

**BLOOMINGTON, IL, September 6, 2018** – STL Staffing, a leading provider of staffing and hiring solutions, recently opened a new Chicagoland office in Rolling Meadows, Illinois. The new office location is in response to a strong customer demand for its services and to better position the organization to the area's diverse talent pool.

STL Staffing currently operates from two main locations in **Bloomington, Illinois**, and **Appleton, Wisconsin**. The new office space in Rolling Meadows increases STL's footprint in the Midwest and supports the company's growth strategy.

"The decision to expand our presence into the Chicagoland area was a logical step in our business growth strategy," said Jason Albertini, Chief Operating Officer. "Several of our existing customers are asking us to grow into the market with them. This opportunity provides us access to an area that is rich with diverse talent and new clientele. It's humbling to know that our success in delivering results for our current customers has provided us the opportunity to expand our staffing services footprint in one of the top markets in the country."

#### **STL Staffing**

STL has 25 years of expertise providing staffing and hiring solutions to customers in a variety of industries. Our commitment is to identify the highest caliber candidates for our customers and deliver outstanding opportunities for our consultants. The STL placement process, allows us to identify quality candidates with the proper skill set, who are a great culture fit for our client's ever-changing staffing needs.

At STL, it's not about finding *A Person* for *A Job*—it's about finding the **Right Person**, with the **Right Skills**, for the **Right Position**.

When you work with STL, the **Sky's the Limit**.
