

Staffing

Our Services

STL has **25 Years** of experience accommodating staffing needs for **any sized business**, in **multiple industries**, across the country. Headquartered in **Bloomington, Illinois**, we also have offices in **Appleton, Wisconsin** and **Chicago, Illinois**.

Our goal is to identify and qualify the **highest caliber candidates** for our client's ever changing staffing needs.

At STL, it's not about finding *A Person for A Job*—It's about finding the **Right Person**, with the **Right Skills**, for the **Right Position**.

Our Experience

STL boasts a successful track record working with businesses in many sizes, from **sole proprietorships** to **Fortune 50** companies.

Tens of thousands of employees have been joined together with those businesses and their employees in successful employment relationships.

Our recruiters are proficient in searching for the best possible candidates on **local, regional** and **national** levels.

Our Process

We offer a wide array of tailored programs with competitive rates for **contract, temp-to-hire** or **direct hire** positions. Our process includes conducting an applicant background check and drug screening. On-site management and outplacement services are also offered.

Incentives are offered to our candidates such as **production bonuses, attendance bonuses, and referral bonuses** to **reward**, and more importantly, **retain** quality employees.

Client *and* candidate **satisfaction** come first—any staffing need, in any industry, at any location nationwide. We will always go **above** and **beyond** to guarantee your goals are met.

Our Diversity

Whether it's a certified **IT professional**, a seasoned **business professional**, or an experienced **skilled laborer**, STL is a leading provider of **thoroughly vetted**, quality candidates. Whatever your placement needs, we have the capacity and ability required to take on any challenge.

We have **immediate access** to **thousands** of specialized **IT professionals**, with varying years of real-world experience, to fit your business or project needs.

They can be placed on a **contract, full-time, or project** basis.

We specialize in staffing for business initiatives ranging from **web development** and **application integration**, to **network security** and **technical support**.

At STL, it's not about finding *A Person for A Job* —
It's about finding the **Right Person**, with the **Right Skills**, for the **Right Position**.

Business professionals in the fields of **Sales, Administrative, Clerical, Human Resources, Call Center, Customer Service, Marketing, Insurance, Finance, Accounting, Engineering** and **Manufacturing** are just a few of the staffing needs we fill daily.

For **Skilled Labor** positions, we have developed an **integrated direct hire solution** to optimize your ability to attract and retain full-time workers for all industries, such as **Light Industrial** and **General Labor**.
